

Fixed Fork Pallet Trailers

Capable of carrying loads up to 4000 pounds!

Standard Models

- ANT 40RM
 - 4000 pound capacity
 - 4 ft long forks
 - 5 ft width capacity
 - Electric Brakes
- ANT 40LM
 - 4000 pound capacity
 - 8 ft long forks
 - 5 ft width capacity
 - Electric Brakes

The Fixed Fork Pallet Trailers allows you to pick up a pallet, transport it to another location and then unload it. It combines the lifting power of a fork lift with the flexibility of a large truck. Standard unit has 2-5/16" ball hitch, electric brakes and is black in color. Options available for upgrade are any standard solid color and chrome wheels.
