

# FIXED FORK PALLET TRAILERS

Capable of carrying loads up to 4000 pounds!

## Standard Models:

- ANT 40RM
  - 4000 lbs. capacity
  - 4' long forks
  - 5' width capacity
  - Electric Brakes
- ANT 40LM
  - 4000 lbs. capacity
  - 8' long forks
  - 5' width capacity
  - Electric Brakes

The Fixed Fork Pallet Trailers allow you to easily pick up a pallet, transport it to another location and then unload it. It combines the lifting power of a fork lift with the flexibility of a large truck. Standard unit comes equipped with a 2-5/16" ball hitch, electric brakes and a black painted finish. Any standard solid color finish or chrome wheels can be added for additional cost.
