The **M.E.R.T.** (Multiple Event Response Trailer) is a light-weight, affordable, highly visible (ideal for limited visibility and darkness) and rapidly deployable trailer that packs the right equipment needed for any situation!!!! This unique response trailer allows any department / service to have the ability to close off roads, delineate traffic, post detours, keep personnel safe, and allow vital assets to be released and re-deployed as needed. The **MERT** is designed to operate attached to a vehicle or in a stand-alone mode. The **MERT** comes completely equipped to meet the needs of your department or organization.

- Immediate / Emergency Traffic Control
- Scheduled / Unscheduled Road Closures
- Traffic Delineation / Traffic Control
- Posting Detours
- DUI / Safety Checkpoints
- Weather Emergencies
- Crash Scene Investigations
- Safeguarding Construction Personnel
- **MERT** is designed for easy and efficient on/off loading of equipment.
