

# SEA / CRUISE BOX

Make packing easier instead of lifting an over-packed box simply pull out the retractable handle and maneuver the Sea/Cruise box using the recessed wheels on the bottom. The combination of the wheels with the handle will allow the user to easily pull the box behind them instead of struggling to lift it and possibly injuring themselves. The handle can be fully retracted when the Sea/Cruise box is not in use. Once retracted it can be indefinitely stored in a tight and/or limited spaces with no deterioration from the elements.

Weighing only 23 lbs. when empty, with smooth, rounded corners, a retractable carrying handle, recessed wheels, side handles, and Velcro straps. The troops can finish packing and start moving their belongings in record time.
