

UTILITY BOX

The Heavy Duty Utility Box is a polyethylene, nestable unit that comes complete with a lid. Custom colors and graphics are available.

The item is manufactured from polyethylene, creating a box that will not absorb oils, grease or lubricants. Polyethylene is EPA and FDA approved. This is ideal for personal items or commercial material that no longer has its original shipping carton.

The Utility Box is deployable, recoverable and recyclable, with this regard, the box will make a great asset to your unit and solve many everyday needs.
